

## **Woodlyn Puppy Questionnaire**

This is so I can learn more about you, your household, and will better help me choose the right puppy for you!

Please email this once filled out to: [chandlerbsharpe@gmail.com](mailto:chandlerbsharpe@gmail.com)

**Your Name:**

**Home Location:**

**Phone Number:**

**Email Address:**

**Show, companion, or performance prospect?**

**Sex/color preference:**

**If these exact preferences are not available, are you still interested in a puppy?**

How many people are in your household?

Do you have any children, if so, what ages?

If you have a spouse or partner, are they fully supportive of getting this dog and it's care?

Do you have any other pets in the household?

Do you have a backyard, is it fenced, if not do you plan to fence it for this dog? If not, do you understand that you will then have to walk this dog on a leash or long line?

When you travel do you plan to take the dog with you, if not, where would the dog go?

What is your profession, and how many hours do you work a day?

What kind of activities do you want this dog to participate in?

Are you prepared for this dog to grow to a 50lb-plus dog?

Are you willing to extensively socialize this dog?

What are your thoughts on a harness vs. a collar? Why?

Are you financially prepared to support and care for this dog throughout its life?

Are you planning to crate train this dog?

Are you interested in competing in any UKC, AKC, IKC, CKC, or IABCA events?

Are you interested in puppy kindergarten or obedience classes?

How do you plan to exercise this dog daily?

Are there any specific places or activities that you expect this dog to go to/regularly attend/participate in?

Do you understand that this is a hunting breed with a prey drive?

Are you interested in getting involved in any field events, or activities that utilize this dog's natural hunting ability?

Do you want this dog to do any performance or therapy work? Are you interested in getting involved in these things?

Are you looking for a dog that will lay on the couch with you, or a dog that wants to get up and run with you in the mornings? What are you wanting energy or drive wise out of this dog?

Will you keep me informed of anything that should happen to this dog health wise that would affect this dog's life and/or the dogs in our breeding program?

Have you ever used an E-Collar or shock collar on a dog? Do you plan to use it on this dog? If yes, when and how do you plan to use it?

If this is a show prospect, what are you looking for this dog to achieve? Become a finished champion, a top special, a prospect for your breeding program?

Will you contact me before any major decisions are made about the dog regarding it's living situation, health, or show/performance career?

Are you willing to follow my guidance and advice when it comes to this dog?
